PREPARE YOURSELF TO CREATE YOUR DEADLY MOVES AND BEAT 'EM UP THE ENEMIES!

Are you searching for high quality fight sound effects? You are in the right place! Cinetools is proud to present "Knockout"; a vast and meticulously organized collection of close combat sounds. The most deadliest SFX library, which includes plenty of sound effects ready to complement any production needs high quality fighting sounds!

"K.O" includes all the core elements needed to build bone smashing fist fights and adrenaline pumping realistic combat action. From flying fists to bloody punches, smacking hits to heavy strikes, massive bodyfalls to roundhouse kicks, quick fighting footwork to movements to simulate arms, legs and clothing motions, whooshes to heavy grabs, struggling moves to sequenced moves for more variation, aggressive throws to real human voices, combined actions to impressive sweeteners and all the tools necessary for truly intense and impactful sound design. Full of fierce, aggressive, top-of-the-line SFX and organically recorded sound design elements, this sound effects library will leave nothing to be needed!

In detail expect to find 3.76GB of high quality sounds including 3348 SFX divided into two main folders Designed SFX and Designer Tools. Every sound in the folder is recorded at 24bit / 192kHz, designed and delivered in industry-standard 24bit / 96kHz to ensure the highest quality for today's cinematic production needs. All the sounds in this library are perfectly categorized and labeled to make it easy for you to find them and to speed up your workflow with finding the right elements quickly to evoke a specific emotion you need!

We give you a powerful toolset to design your own unique fight sounds. Includes 2221 sounds which are recorded from a variety of fabrics such as; cotton, denim, leather, nylon AND different surfaces like generic, wood and concrete. Also contains lots of human voices with various emotions and miscellaneous actions such as attacking, breathing, exert and exhale, pain reactions, screams and beyond in varying intensities like short/medium/long to help you to liven up your favorite character noises. If you'd like more creative control, dive into designer tools to create stunning combat sounds from scratch.

"K.O" is perfect for extreme fighting movies and close combat scenes! Suitable for building out an aggressive fight scene you dreamed of and a great option for any project that requires fight sounds and other aspects such as a battle, beat and blow! Also perfect for use in any kind of hand-to-hand combat scenarios, including: street fighting movies to kung-fu or karate scenes, aikido fighters to jiu-jitsu tournaments, or any other form of combat!

Raging, Thrashing, Furious, Dangerous and Intense Pulsing Aggression and Full Of Action!

THANK YOU!

LICENSE AGREEMENT

By downloading the library you accept the following license agreement:

LICENSE GRANT

This license is granted for a single user only (and is given on a worldwide basis). The license is non-exclusive and is granted for the full period of copyright protection and sound samples. No unlicensed use is permitted. All sounds and samples contained in this product are copyrights of Cinetools.

Cinetools allows you to use any of the sounds and samples in the library(s) you've purchased for the creation and production of commercial recordings, music, sound design, post production, or other content creation without paying any additional license fees. The Licensee may use the Sounds in combination with other sounds in music productions (which include soundtracks of such as films, video productions, radio/TV programs or commercials, computer games and multimedia presentations, library music), public performances, and other reasonable musical purposes within musical compositions.

The Licensee may modify the Sounds and may use the Sounds for commercial purposes as part of a musical composition with other sounds.

This license expressly forbids usage of Cinetools products (in particular samples, loops, cues) to create sounds OR other content for any kind of virtual instrument, sample library, sample-based product, musical instrument, or competitive products that are sold or relicensed to multiple third parties. In these scenarios the Licensee must arrange an extension with Cinetools.

In addition, "naked" or "isolated" samples, loops, cues are not to be sold or distributed as individually licensable "strips", "work parts" or "elements" and cannot be used to create tracks for Library Music.

This license also forbids any unauthorized transfer, resale or any other form of re-distribution of this product, or its constituent sounds or programming, through any means, including but not limited to re-sampling, reverse engineering, de-compiling, remixing, processing, isolating, or embedding into software or hardware of any kind. You cannot electronically transfer the sound samples or place them in a time-sharing or service bureau operation or a computer/sampler network.

RIGHTS

Cinetools retains full copyright privileges and complete ownership of all recorded sounds, instrument programming, documentation and musical performances included within this product.

REFUNDS

Downloaded libraries can't be returned, so we can't provide refunds or exchanges - unless you have a faulty product. In this scenario, that product will be exchanged for the same product for a period of 30 days - PLEASE be aware that as soon as you've downloaded it, it can not be returned.

TERMS

This license agreement is effective from the moment the product is purchased or acquired by any means. The license will remain in full effect until termination by Cinetools. The license is terminated if you break any of the terms or conditions of this agreement, or request a refund for any reason. Upon termination you agree to destroy all copies and contents of the product at your own expense.

Licenses cannot be transferred or sold to another entity, without written consent of Cinetools.

By purchasing this product you agreed all the terms, conditions and limitations of use contained in this agreement.
