Tough, tender, tense and twisty! All the fans of dark drama will be captivated by this intense new library! Cinetools proudly presents "Lost" featuring modern and powerful trailer sounds with a sense of loneliness and foreboding. Filled with 1000 top-notch sound effects showcases overall emotion and fear of the darker side of humanity. Comes with a diverse array of sounds ready to spawn feelings of tension that fit well inside your projects. All is designed for dark thrilling, nerve-racking, heart-stopping blockbuster scores and trailers and it has enough power to set moods and create emotion in your production.

This captivating library loaded with massive amount of intriguing sounds embracing all the latest and emerging cinematic scoring trends. Atmospheric beds & underscores take you on a journey through the emotions of human drama, beautiful piano melodies enveloped with pads and delicate textures that will suit anything from dark romance to heartbreak, various percussions and dissonant melodic structures to bring a sense of breathtaking suspense scenes as well as contemporary dramatic cues for fast-paced intensity. Apart from all of these sounds "Lost" contains other cinematic elements such as blockbusting hits, benders, evolving atmospheres, pings, pulses and patterns, risers and suck-backs, whooshes, booms, deep downers, earth shattering bass drops more.. If you're looking for something sad and displeasing, this is as good as it gets.

In detail expect to find 10.6GB of high quality sounds including 1000 ready-to-use cinematic SFX divided into two main folders Designed SFX and Designer Tools. Designed SFX Folder contains 777 designed sounds consist of 60 Atmospheres, 50 Atmospheric Beds & Underscores, 50 Bass Drops, 31 Benders, 62 Booms, 47 Cue Starters, 40 Dark Tonal Laments, 20 Downers, 37 Drum & Percussive Beds, 59 Hits, 65 Melodics, 55 Patterns, 30 Pings, 61 Pulses, 50 Risers & Suckbacks and 60 Whooshes. Every sound in the folder recorded at 24bit / 192kHz, designed and delivered in industry-standard 24bit / 96kHz to ensure the highest quality for today's cinematic production needs.

"Designer Tools" includes 223 sounds contains all the necessary elements you need to design your own organic sound effects from scratch... Includes variety of organic recordings from metal rattles and resonants or rolling and dropping rocks, textures debris to screeches, leaves to woods etc. Beyond of these some instrument sounds are captured from electric guitar, mandolin, violin, cello and upright bass with a different action such as hit-ted, textured and bowed. All sounds are recorded with Rode NT1, Rode NTG-3, Zoom F8, Tascam DR100 MKIII, Custom made coil pickup microphone and comes with an incredible sample rate of 192kHz/24bit to give you the best quality for extreme pitch-shifting and FX processing while keeping a top notch level of clarity and precision.

Perfect for any kind of dark drama, mystery, suspense and thriller scene or project also be well suited in many other situations where film standard sound is required. Also it's a good sources for anyone interested in breath-catching themes, suspenseful underscores, thrilling backdrops, audio for dark TV shows and video games or just something needs original!

All of this sounds are ready to help you to create unusual cinematic moments and evoke the dramatic feeling!

LICENSE AGREEMENT

By downloading the library you accept the following license agreement:

LICENSE GRANT

This license is granted for a single user only (and is given on a worldwide basis). The license is non-exclusive and is granted for the full period of copyright protection and sound samples. No unlicensed use is permitted. All sounds and samples contained in this product are copyrights of Cinetools.

Cinetools allows you to use any of the sounds and samples in the library(s) you've purchased for the creation and production of commercial recordings, music, sound design, post production, or other content creation without paying any additional license fees. The Licensee may use the Sounds in combination with other sounds in music productions (which include soundtracks of such as films, video productions, radio/TV programs or commercials, computer games and multimedia presentations, library music), public performances, and other reasonable musical purposes within musical compositions.

The Licensee may modify the Sounds and may use the Sounds for commercial purposes as part of a musical composition with other sounds.

This license expressly forbids usage of Cinetools products (in particular samples, loops, cues) to create sounds OR other content for any kind of virtual instrument, sample library, sample-based product, musical instrument, or competitive products that are sold or relicensed to multiple third parties. In these scenarios the Licensee must arrange an extension with Cinetools.

In addition, "naked" or "isolated" samples, loops, cues are not to be sold or distributed as individually licensable "stripes", "work parts" or "elements" and cannot be used to create tracks for Library Music.

This license also forbids any unauthorized transfer, resale or any other form of re-distribution of this product, or its constituent sounds or programming, through any means, including but not limited to re-sampling, reverse engineering, de-compiling, remixing, processing, isolating, or embedding into software or hardware of any kind. You cannot electronically transfer the sound samples or place them in a time-sharing or service bureau operation or a computer/sampler network.

RIGHTS

Cinetools retains full copyright privileges and complete ownership of all recorded sounds, instrument programming, documentation and musical performances included within this product.

REFUNDS

Downloaded libraries can't be returned, so we can't provide refunds or exchanges - unless you have a faulty product. In this scenario, that product will be exchanged for the same product for a period of 30 days - PLEASE be aware that as soon as you've downloaded it, it can not be returned.

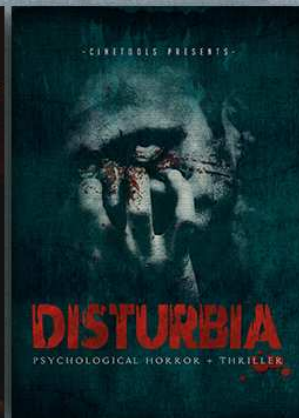

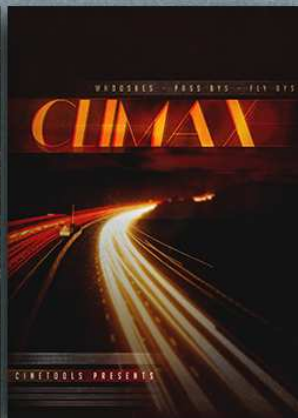

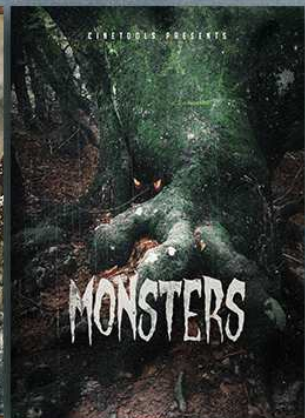

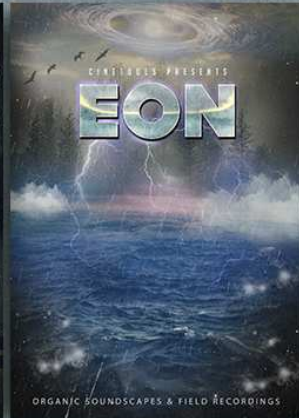

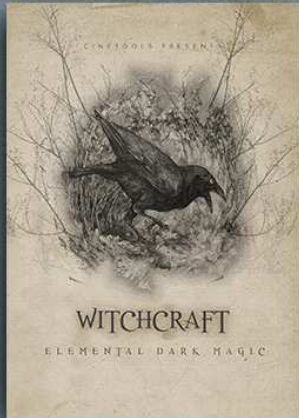

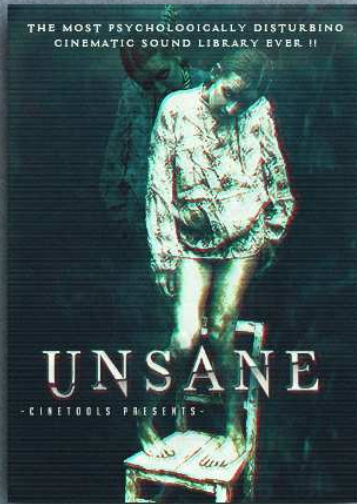

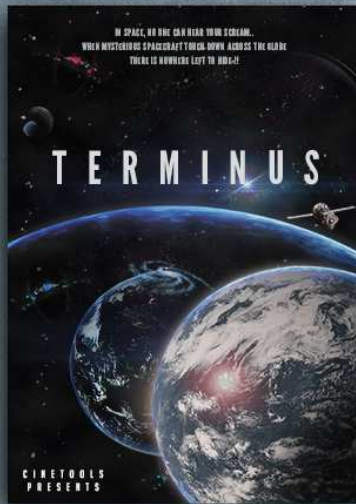

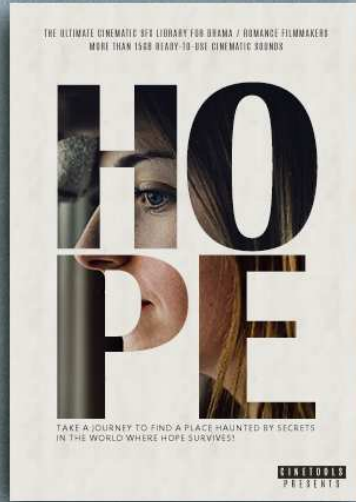

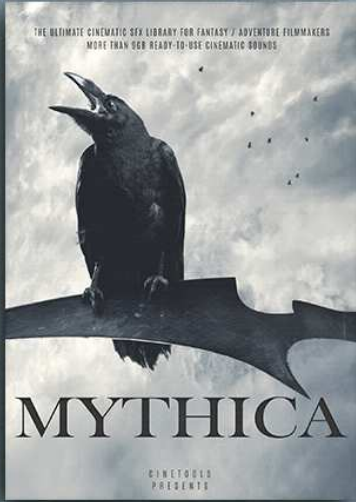

TERMS

This license agreement is effective from the moment the product is purchased or acquired by any means. The license will remain in full effect until termination by Cinetools. The license is terminated if you break any of the terms or conditions of this agreement, or request a refund for any reason. Upon termination you agree to destroy all copies and contents of the product at your own expense.

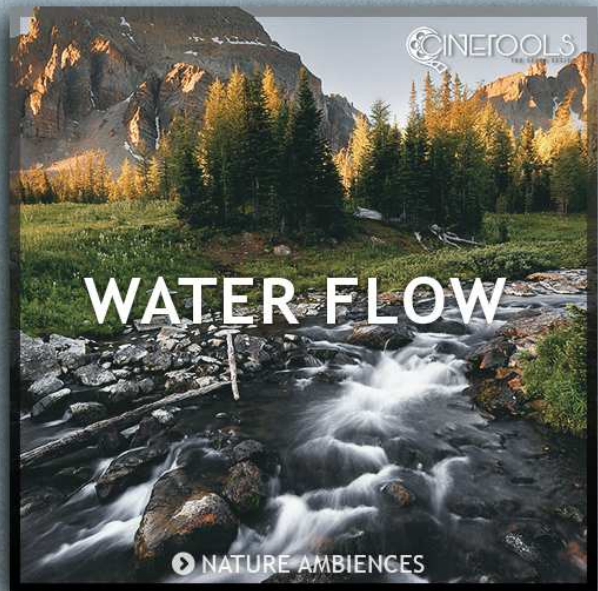

Licenses cannot be transferred or sold to another entity, without written consent of Cinetools.

By purchasing this product you agreed all the terms, conditions and limitations of use contained in this agreement.
